Subject: Invitation to the European Competition and Consumer Day, May 2008  
Brdo, Slovenia, 21 and 22 May 2008

Dear Madam/Sir,

On behalf of the Slovenian Presidency, it is our pleasure to invite you to the joint European Competition and Consumer Day, May 2008, which will take place on 21-22 May 2008 at Brdo, Slovenia.

This will be the 16th European Competition Day since the first of these six-monthly events, held once during each Member State's EU Presidency, in 2000. With the support of the European institutions, the European Competition Day is designed to give a large international audience an inside view of the activities of the National Competition Authorities. The event highlights complementary aspects of both competition and consumer policies.

Keynote speakers at the conference will address energy issues in relation to the introduction of competition policy aimed at benefiting consumers as well as proposals to improve market efficiency at national, European and international level. The May 2008 European Competition and Consumer Day is an opportunity to discuss the latest developments in the single energy market in terms of consumer protection and anti-trust enforcement.

The programme will start with a social event on 21 May 2008 in Ljubljana, consisting of a guided tour of the city in the afternoon, followed by an informal dinner.

We would be grateful if you could register no later than 21 April 2008. The number of participants is limited, so early registration is advised.

Please note that we have made provisional reservations for hotel rooms at City Hotel, Ljubljana, and M Hotel, Ljubljana.

Please find enclosed the Tentative programme of the conference, the Registration form, some Practical information and the hotel reservation forms.

We look forward to welcoming you to Slovenia.

Yours faithfully,
